

Anti-Ara h 2 Human IgE Antibody (16A8)

Summary

Catalog No. RZZ03701

Clone ID 16A8

Host species Human

Species reactivity Arachis hypogaea (Peanut)

Form Liquid

Storage buffer 0.01M PBS, pH 7.4.

Concentration 3.19 mg/ml

Purity >95% as determined by SDS-PAGE.

Clonality Monoclonal

Isotype IgE

Applications ELISA

Target Ara h 2, Arachis hypogaea allergen.

Endotoxin level Please contact with the lab for this information.

Use a manual defrost freezer and avoid repeated freeze-thaw cycles.

Stability and Storage Store at 4°C short term (1-2 weeks). Store at -20°C 12 months. Store at -

80°C long term.

Note For research use only.
