

Anti-CAV3/Caveolin-3 Antibody (R1A15)

Summary

Catalog No.	RHF17402
Clone ID	R1A15
Host species	Rabbit
Tested applications	WB: 1:1000-1:2000
Species reactivity	Human, Mouse, Rat
Form	Liquid
Storage buffer	0.01M PBS, pH 7.4, 0.05% BSA, 50% Glycerol, 0.05% Sodium azide.
Concentration	1 mg/ml
Purity	>95% by SDS-PAGE.
Clonality	Monoclonal
Isotype	IgG
Applications	WB
Target	CAV3, M-caveolin, Caveolin 3, VIP21, Caveolin 3
Purification	Protein A/G purified from cell culture supernatant.
Endotoxin level	Please contact with the lab for this information.
Accession	P56539
Stability and Storage	Use a manual defrost freezer and avoid repeated freeze-thaw cycles. Store at +4 °C short term (1-2 weeks). Store at -20 °C 12 months. Store at -80 °C long term.
Note	For research use only.

Data Image

Western blot

Western blot analysis of Caveolin 3 expression in Human fetal heart lysate.
