

# Anti-Human CD22 Antibody (HB227), PerCP

## Summary

---

|                              |                                                                                                                                                                 |
|------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Catalog No.</b>           | FHD38544                                                                                                                                                        |
| <b>Clone ID</b>              | HB227                                                                                                                                                           |
| <b>Host species</b>          | Mouse                                                                                                                                                           |
| <b>Conjugation</b>           | PerCP                                                                                                                                                           |
| <b>Species reactivity</b>    | Human                                                                                                                                                           |
| <b>Form</b>                  | Liquid                                                                                                                                                          |
| <b>Storage buffer</b>        | 0.01M PBS, pH 7.4, 0.2% BSA, 0.05% Proclin 300.                                                                                                                 |
| <b>Clonality</b>             | Monoclonal                                                                                                                                                      |
| <b>Isotype</b>               | IgG2a                                                                                                                                                           |
| <b>Applications</b>          | ELISA, FCM                                                                                                                                                      |
| <b>Target</b>                | Sialic acid-binding Ig-like lectin 2, Siglec-2, CD22, T-cell surface antigen Leu-14, BL-CAM, SIGLEC2, B-lymphocyte cell adhesion molecule, B-cell receptor CD22 |
| <b>Purification</b>          | Affinity chromatography.                                                                                                                                        |
| <b>Endotoxin level</b>       | Please contact with the lab for this information.                                                                                                               |
| <b>Accession</b>             | P20273                                                                                                                                                          |
| <b>Stability and Storage</b> | Store at 4°C for 12 months. Protect from light. Do not freeze.                                                                                                  |
| <b>Note</b>                  | For research use only.                                                                                                                                          |
