| <b>Target</b>             | IL-4RA, IL-4-binding protein, IL-4 receptor subunit alpha, Soluble IL-4R-alpha, IL4-BP, IL4R, IL-4R subunit alpha, IL-4R-alpha, CD124, Interleukin-4 receptor subunit alpha, IL4RA, Soluble IL-4 receptor subunit alpha, sIL4Ralpha/prot |
| <b>Purification</b>       | Protein A/G purified from cell culture supernatant.                                                                                                                                                                                      |
| <b>Endotoxin level</b>    | Please contact with the lab for this information.                                                                                                                                                                                        |
| <b>Expression system</b>  | Mammalian cells                                                                                                                                                                                                                          |
| <b>Accession</b>          | P24394                                                                                                                                                                                                                                   |

**Stability and Storage**

Use a manual defrost freezer and avoid repeated freeze-thaw cycles.

Store at 4°C short term (1-2 weeks). Store at -20°C 12 months. Store at -80°C long term.

**Note**

For research use only. Not suitable for clinical or therapeutic use.
