

Anti-Pan-pY/pTyr/Phosphotyrosine Antibody (4G10)

Summary

Catalog No.	RGK60101
Clone ID	4G10
Host species	mouse
Species reactivity	Broad-Spectrum
Form	Liquid
Storage buffer	0.01M PBS, pH 7.4.
Concentration	1.19 mg/ml
Purity	>95% as determined by SDS-PAGE.
Clonality	Monoclonal
Isotype	IgG2a, kappa
Applications	IHC, IP, WB
Target	Pan-pY, pTyr, Phosphotyrosine
Purification	Protein A/G purified from cell culture supernatant.
Endotoxin level	Please contact with the lab for this information. Use a manual defrost freezer and avoid repeated freeze-thaw cycles.
Stability and Storage	Store at 4°C short term (1-2 weeks). Store at -20°C 12 months. Store at -80°C long term.
Note	For research use only.
