

Anti-Pan-pY/pTyr/Phosphotyrosine Antibody (SAA0305)

Summary

Catalog No. RGK60103

Clone ID SAA0305

Host species Mouse

Species reactivity Broad-Spectrum

Form Liquid

Storage buffer 0.01M PBS, pH 7.4.

Concentration 1 mg/ml

Purity >95% as determined by SDS-PAGE.

Clonality Monoclonal

Isotype IgG2a, kappa

Applications IHC, IP, WB

Target Pan-pY, pTyr, Phosphotyrosine

Purification Protein A/G purified from cell culture supernatant.

Endotoxin level Please contact with the lab for this information.

Use a manual defrost freezer and avoid repeated freeze-thaw cycles.

Stability and Storage Store at 4°C short term (1-2 weeks). Store at -20°C 12 months. Store at -

80°C long term.

Note For research use only.
